

This is a project update for the Cowles Street Project.

A water outage near 20<sup>th</sup> Ave is planned for Saturday, July 18; those affected will be contacted.

Continuing next week:

- Cowles, 23<sup>rd</sup> to 19<sup>th</sup> Ave, will be closed to through traffic
- Residential and business access will be provided during this time
- Detours will be set up during this period, directing traffic around the closed area
- 21<sup>st</sup> Ave is unpaved so speeds should be kept down for safety

During next week:

- Semi-trucks will begin a haul which should last for two (2) days
- Please maintain a safe distance

Travelers should use extra caution and be alert when in and around the construction zone

- Detours and traffic patterns change
- Watch for pedestrians, especially children during summer recess

Please visit the Cowles Street Project [website](#) and refer your clientele for more information.

If you have any ADA concerns please contact Exclusive Paving or DOT&PF.
